## **Additional Information on RV Parking:**

Parking will become available on Sunday, October 20. See reservation form for required departure date(s).

The facility has a very large (“unlimited”) number of RV sites. Those closest to the building will be on concrete/hard surface. Sites with grass (may be dry or coarse) are further away from the buildings. Please be sure to select your parking preference on the reservation form.

All sites include 30A electric connections; however extension cords may be required. Please use at least 50 feet as an estimate (longer cord may be needed). Please bring appropriate adapters as needed for your RV.

All sites include a water connection; however “Y” adapters and extra hose may be required. Please use at least 50 feet as an estimate (longer hose may be needed).

No sewer connection will be available at any site. There is **no** dump station at the facility, please arrive with black/gray tanks empty if possible. As a suggestion, there is a Pilot/Flying J station (dump fee charged) in Wichita Falls about 2 miles from the site. 2311 Jacksboro Hwy (near US 287)

(<http://www.sanidumps.com/locationmap2.php?id=413>).

Septic pump-out will be arranged for at least one mid-week service. Sign-up and payment instructions will be available after arrival.

RV parking will be limited to the spaces reserved, no day-use RV parking will be available.

Please arrive between the hours of 9AM and 9PM to ensure assistance in finding your assigned space. A map/list of assigned spaces will be made available to assist early or late arrivals, however anyone parking in an incorrect space will be asked to move.

Confirmations will be sent via email only. Date received will be tracked to ensure special requests are met whenever possible.

Reservations may be cancelled without penalty through September 30, 2013. No refunds will be available after that date. Please use email to cancel any confirmed reservation. Refunds will be processed as quickly as possible, however final processing may not occur until after the event.

Final determination of parking assignments will be made between September 30 and October 15.
